Circular No.4.

New Delhi.
12th April, 1935.

Your Highness,

As Your Highness is aware, I have been called upon to perform the duties of the Chancellor in India during His Highness the Maharajadhiraj of Patiala's absence in England. I find that the Chamber Fund has reached a low ebb on account of the heavy expenditure which had to be incurred during the last two or three months, and I have to request Your Highness to be so good as to remit your subscription for the year 1935 at your early convenience, so that I may be able to keep things smoothly going till His Highness the Chancellor's return.

I am very glad to find that Your Highness' account with the Chamber Office is uptodate and that subscription for the current year only is due.

Trusting Your Highness is in the enjoyment of excellent health,

Yours sincerely,

UDAIBHAN SINGH,

Maharaj-Rana of Dholpur,
Pro-Chancellor, Chamber of Princes.

Dear Mr. Ranga Rao,

I am desired to send herewith for favour of disposal circular letter dated the 23rd April last from His Highness the Pro-Chancellor, Chamber of Princes, regarding the annual contribution to the Chamber Fund.

Yours sincerely,

RR 3/5731

Council House,
New Delhi.
23rd April, 1935.

Your Highness,

In continuation of my circular letter No. 4 dated 12th April, 1935, which, I trust, would have reached you ere now, I write to reproduce below the following cablegram which has been received from His Highness the Chancellor, now in England:-

> "In view of urgency and in anticipation of approval Standing Committee have authorised Counsel continue discussion with India Office without committing States. This procedure imperative in interest of States. Further funds urgently required upto lakh. Please take necessary action".

From this it will appear that while discussions will be carried on by our Counsel in London, nothing that they do will commit the Princes individually or collectively, and the latter will be in the happy position of being able to use their inherent right to say the final word, after joint consultations and deliberations like those we had in Bombay last February.

I am sanguine, Your Highness fully appreciates whatever services it has been possible for the Chamber Organisation to render to our corporate cause in these momentous times, and would readily respond to my appeal for funds at this critical juncture by remitting forthwith

Your Highness' contribution to the Chamber Fund for the current year, unless you have already done so.

Hoping this finds Your Highness in excellent health,

Yours Sincerely,

UDAIBHAN SINGH,

Maharaj-Rana of Dholpur,
Pro-Chancellor, Chamber of Princes.

To

The Secretary to the Chancellor
of the Chamber of Princes,
New Delhi.

Sir,

I am directed to acknowledge the receipt of His Highness the Pro-Chancellor's Circular letter No.4 dated the 12th April 1935 and his subsequent letter dated 23rd April 1935 in regard to the payment of the annual contribution by this State to the Chamber Fund.

As stated in the letters referred to above, the account of this State with the Chamber Office is uptodate ~~and only~~ the current year's subscription (which is usually paid about the close of the year) is due. Arrangements will be made to remit the amount in question about December next.

I have etc.,

Chief Secretary.

The Question of the payment of the Subscription for the current year will be taken into consideration in Dec. next
